DISTANCE

LONG TERM SOIL SURFACTANT

GENERAL: DISTANCE unique formulation helps manage water repellency conditions in the soil profile for up to 120 days. DISTANCE will help prevent localized dry spot conditions from forming when used early in the season or before water repellency conditions appear. DISTANCE flexible application regimen, provides operators a variety of application options to fit their spray program. DISTANCE is safe on all turf, when applied according to label directions DISTANCE will not burn.

DIRECTIONS FOR USE: Greens, Tees, Fairways, Lawns, Parks and Sports Turf

PREVENTIVE PROGRAM:

DISTANCE should be applied in 2 applications. Apply first application at 8 fl. oz. per 1,000 sq. ft. Apply second application 14-60 days later.

Under 2 split applications, DISTANCE should be sprayed at 8 fl. oz. per 1,000 sq. ft. and should be applied in 2 gallons of water per 1,000 sq. ft. spray solution.

Multiple applications techniques:

-Apply first application at 8 fl. oz. per 1000 sq. ft. with 2 gallon spray solution per 1000 sq. ft. Apply second application at or around 60 days at 4 fl. oz. per 1000 sq. ft. with 2 gallon spray solution. Repeat at 4 fl. oz. per 1000 sq. ft. with 2 gallon spray solution, every 30 days until condition is relieved or season is concluded.

-Apply first application of 6 fl. oz. per 1000 sq. ft. with 2 gallons spray solution per 1000 sq. ft. repeat applications of 4-6 fl. oz. per 1000 sq. ft. in 2 gallons spray solution every 30 days.

DISTANCE is safe on all turf types and can be used on fine turf for golf courses, athletic fields, tennis, lawn bowling, sporting fields as well lawns/landscape.

Tank Mixing: DISTANCE may be tank mixed with other commonly used turf chemicals and fertilizers at rates not to exceed 8 fl. oz. per 1000 sq. ft. If applicator is unfamiliar with the performance of this product in tank mixes under user's growing conditions, DISTANCE should be tested prior to large-scale application. The applicator should always exercise judgment and caution when using this and all other turf products. Tank mixing DISTANCE and other products is intended as a matter of convenience; this product is not intended to enhance the performance of other tank mixed components.

SHAKE WELL BEFORE USING

PRECAUTIONARY STATEMENT

Harmful if absorbed through skin, do not get in eyes or on clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Personal Protective Equipment: Wear chemical resistant gloves, Long-sleeved shirt and long pants, and shoes plus socks.

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferable mouth to mouth if possible.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue to rinse eye.

STORAGE: Store in a cool, dry place. Store in original container only. Do not add anything to the container. Keep container tightly sealed when not in use. Do not store near fire, flame or other potential sources of ignition.

DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best method of disposing containers if allowed by law. The Agriculture Recycling Container Counsel (ACRC) operates the national recycling center program. To contact your state and local ACRC visit the ACRC website at www.acrcycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

CLEAN UP: Rinse each spray tank out after each use and flush thoroughly
