

BEST LAWN ON THE BLOCK™

The pride that lawn care professionals have in their customer's lawns is only surpassed by the pride the home owner has in their own lawn. An attractive, healthy and durable lawn gives a bold statement of vitality, care and performance. Turf Fuel's Best Lawn on the Block program is sure to turn heads, impress the neighbours and attract new customers.

RECOMMENDED

MIC DROP®
3 fl.oz / 1,000 ft²

A high octane, complete micronutrient product that delivers essential elements for critical plant functions. Mic Drop creates a rapid color response, dense chlorophyll and unbelievable plant health and longevity.

TS Pro 30-0-0 + Nterceptor™
8-12 fl.oz / 1,000 ft²

With three sources of Nitrogen, stabilized to reduce leaching and volatilization, TS Pro 30-0-0 + Nterceptor give a rich, long lasting, and controlled response. The addition of sea kelp aids in stress tolerance.

PRODUCT RATE RECOMMENDATIONS
