

CHAMPIONSHIP READY™

Everyone wants to peak for the championship. Whether it is your member guest event, a league semi-final, or a televised sporting event, we want to give your players and fans something special. Turf Fuel's **Championship Ready** program will provide the ultimate in durability, consistency and overall appearance.

RECOMMENDED

VERTICAL™
6 fl.oz / 1,000 ft²

A complete plant and soil health supplement. VERTICAL improves both plant and soil health. University proven Nutrifense and an ultra efficient form of potassium protect the plant while the blend of sugars and organic acids regenerate soils.

MIC DROP®
3 fl.oz / 1,000 ft²

A high octane, complete micronutrient product that delivers essential elements for critical plant functions. Mic Drop creates a rapid color response, dense chlorophyll and unbelievable plant health and longevity.

GREENSPHITE SUPREME™
3 fl.oz / 1,000 ft²

The next generation of phosphite and silica technology. Phos-Sil Fuel Supreme works to elevate plant strength to new levels and promote turf that can stand up to even the harshest conditions.
