THE KRAKEN

PREMIUM WATER CONDITIONER

THE KRAKEN is a premier water conditioning agent. **THE KRAKEN** is a multiple component proprietary blend, containing two capped polymers and reinforced by a unique solvent technology.

THE KRAKEN provides uniform and consistent hydration throughout the root zone.

Uniform Penetration | Tournament Conditions | Consistent Hydration

Application Instructions:

30-day Effect

Apply 150-200 mL / 100 m² in 8 L of water every 30 days or as needed.
(4-6 fl. oz. / 1,000 sq. ft. every 30 days or as needed)

14-day Preventative

Apply 150-200 mL / 100 m² in 8 L of water followed by 50-100 mL / 100 m² every 14 days. (4-6 fl. oz. / 1,000 initial followed by 2-3 fl. oz. / 1,000 every 14 days)

For best results, apply in 8 L of water per 100 m².

Features and Benefits

- Flexible rates and application timing
- Uniform hydration and penetration
- Improves water use efficiency
- Safe, no burn formulation
