VANQUISH

SOIL SURFACTANT

VANQUISH is a multi-component soil surfactant purposed to reduce the effects of localized dry spots, drought stress, as well as excessive moisture on a variety of turf types. **VANQUISH** reduces hydrophobic soil, providing hydration and rehydration across the root zone. **VANQUISH** can be used throughout the season, best results have been accomplished when applied prior to the onset of soil moisture conditions. When used in frequent and consistent manner, plant recovery and quality are enhanced. **VANQUISH** is safe on all turf types, including premier turf for golf courses, athletic fields, tennis, lawn bowling, sporting fields as well lawns/landscape, athletic fields, tennis, lawn bowling, sporting fields as well lawns/landscape
