Mitigate 5-0-0 is the solution for conditioning high-performance turf to withstand extreme plant stress. As a dedicated turfgrass specialist, you understand the importance of maintaining high-performing, resilient, and visually appealing turf. In the face of adverse environmental conditions and heavy use, Mitigate's cutting-edge formulation combines the power of manganese, zinc, sea kelp, and our Templar Technology to revitalize and protect your turf from stress like never before. Apply Mitigate before the onset of turf stress to help your turf mitigate what can't be prevented.

GUARANTEED NUTRITIONAL ANALYSIS
