

# MZ-23™

## MANGANESE, ZINC AND PHOSPHITE

Foliar

Soil

# Turf Fuel®

### Root Health

### Stress Resistance

### Enhanced Photosynthesis

**MZ-23™** is a unique product formulation combining manganese, zinc, potassium phosphite, seaweed extract and a proprietary uptake efficiency aid. Regular applications of MZ-23 result in increased root- health and superior stress resistance. MZ-23's manganese and zinc work to optimize the plant's photosynthetic capabilities and root growth while the phosphite, biostimulants and seaweed extract work to improve stress mitigation and overall wellness. A powerful formulation to build powerful plants.

### GUARANTEED NUTRITIONAL ANALYSIS

Soluble Potash ( $K_2O$ ) .....	5.0%
Manganese (Mn) .....	2.8%
Zinc (Zn) .....	3.2%
Ecklonia Maxima .....	5.0%

**Derived From:**  
Potassium phosphite, manganese acetate, zinc acetate, natural plant based extracts

**Application Rate:**  
2 - 4 fl. oz. / 1,000 sq. ft.  
11.4 lbs. / gal.  
2 x 2.5 gal.
